CUSTOMISE YOUR WISHLIST

You can personalise your wishlist by renaming it, adding and removing products and quantities and including important notes. Make sure to **Update** any changes you make to save them.

STEP 3

STEP 4

UTILISE YOUR WISHLIST

Once happy, you can **Print** it with or without prices and add all or individual products to your basket. Wishlists are permanent until you delete them.

You can now save time reordering your favourite products by using your new wishlist.
