

ASHWORTH

'HOW TO' FILTER YOUR PRODUCT SEARCHES

A quick guide on how to locate products fast by refining your search criteria on ashworth.uk.com.

SELECT A CATEGORY

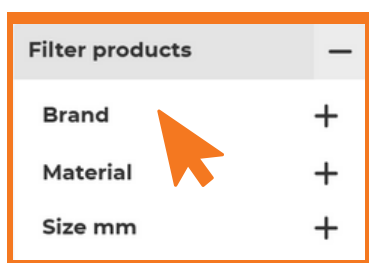

From the homepage, you can click or hover over a category to show its sub-categories. Locate them at the top of the page, or if you are using mobile, the three lines in the top left.

STEP 1

STEP 2

REFINE YOUR SEARCH

Some products will have multiple sub-categories and may be organised by brand or by type to make it easier to find the product. Select them to refine your search.

FILTER YOUR ATTRIBUTES

After refining your search, you can then filter products by **Manufacturer, Brand, Type, Length, Size, and Product Finish**. Multiple attributes can be selected.

STEP 3

OPTIONAL

UTILISE THE SEARCH BAR

You can also try typing a description of the product into our search bar. Several options will display. You can also search by our product codes for quicker results.
